

PROJECT GRANTSMANSHIP

for Los Angeles County Nonprofit Organizations

PROJECT GRANTSMANSHIP is a partnership of the Annenberg Foundation, the California Community Foundation, and The Grantsmanship Center, formed to strengthen community-based organizations by training nonprofit leaders to plan more effective programs and produce compelling proposals for funding.

In PROJECT GRANTSMANSHIP, the Annenberg Foundation and the California Community Foundation will underwrite up to 90 percent of the tuition for eligible nonprofit leaders to attend The Grantsmanship Center's *Grantsmanship Training Program*. The \$895 cost for the training program is subsidized so that each participant will pay \$200 or \$300, depending on the size of the organization. The partnership will also provide all participants with post-workshop proposal reviews and grantmaker evaluations.

The *Grantsmanship Training Program* is a comprehensive, hands-on workshop that covers the complete grant development process, from researching funding sources to writing and reviewing actual grant proposals.
